How to add a practice to your Anytime Telecare platform

[Haga clic aquí para ver este artículo en español](#)

- Log in to your account on the [web platform](#) on a Google Chrome web browser.
- Select the Practices tab at the top of your screen.

- Select Add Practice in the top right-hand corner of your screen

- Enter your clinician's office 4 digit practice code, and click search.

Add Practice

Practice Code - This is a 4 digit code provided by your practice. If you do not have a practice code, please call your practice or check their website. If you would like to see a list of available pediatric clinician offices in your state, close this window and click the Request a Visit Button.

- Once the practice populates, select **Add Practice** to add the practice to your profile.
