

Third Party Invite

Last Modified on 09/25/2024 1:39 pm EDT

Third Party Invite

1. Once the visit has started, click the purple invite button in the top right of the screen.

A screenshot of a web interface showing a patient information box. The box is titled "Patient" and contains the following text: "Name: Jessica Test", "DOB: 4/30/20", "Allergies:", and "Other:". In the top right corner of the interface, there is a purple button labeled "Invite to Visit".

2. Next, a box will appear and ask for email, name, and user type. Fill in with correct information and please note the email address must be in all lowercase letters. Then, click the green invite to visit button.

A screenshot of a mobile application form titled "Invite to Visit". The form contains the following fields: "Email *" (text input), "First Name *" (text input), "Last Name *" (text input), and "User Type *" (dropdown menu). Below the dropdown menu, there is a red error message that reads "Please choose the type of user". At the bottom of the form, there are two buttons: a green "Invite to Visit" button and a white "Cancel" button with a green border.

3. The third party will receive the invitation via email and will click the word here to join the telemedicine visit.

You have been invited to join an in-progress telemedicine visit with Dr. Laura Smith MD

Please click [here](#) to join the visit now.

4. Once the third party has joined the visit, all three users will appear in the visit.
