

# Office Practicum and Anytime Pediatrics - Before you begin

Last Modified on 12/04/2020 9:55 am EST

Office Practicum has joined with Anytime Pediatrics to address your Telehealth needs. Anytime Pediatrics provides software that supports convenient virtual pediatric care via smartphone, tablet or computer. Within OP, the practice has the ability to connect directly to Anytime Pediatrics to document Telehealth visits.

Please visit the Office Practicum [help site](#) to view the setup items necessary for a smooth integration of OP and Anytime Pediatrics
