How to Enable Front Desk Mode

Follow the steps below to enable Front Desk mode for your practice.

- Log into your Anytime Telecare account.

- Click on the Organization tab at the top of the screen.

- Select your practice.

- Enable Front Desk mode from this screen and click Save

- You can also enable Front Desk mode from your login page. Select your name in the top right-hand corner, and click on the toggle that is labeled Front Desk to turn on this feature, as shown in the example below:
