

# Waiting Room Colors

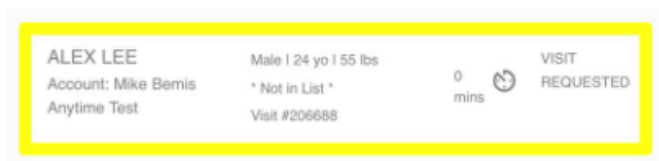

Last Modified on 09/25/2024 1:58 pm EDT

## Waiting Room Colors

The colors in the waiting room help designate where the patient is at in their telemedicine journey. Below you will find the list of colors and their definitions.

- **Yellow:** The patient has entered the waiting room and has yet to communicate with a user from the practice.

- **Orange:** Front Desk Virtual Check-In is in progress.

- **Blue:** Patient Routed to Clinician – Waiting to be seen.

<b>ALEX LEE</b>	Male   24 yo   55 lbs	<b>Routed</b>
