How to add a new patient with Instant Invite

- Click on Instant Invite from your homepage

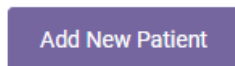

- Enter the patient's information and click search.

A search form with a header containing "Waiting Room", "Instant Invite", and "Today's Visits" buttons. Below the header are input fields for "Jan", "Brady", "MM/DD/YYYY", "Phone Number", and "Email Address". To the right of these fields is a checkbox labeled "ACTIVE INVITE CODES", a green search button with a magnifying glass icon, and a small "x" button. A yellow arrow points down to the search button.

- If your search results do not populate with the patient you are looking for, the patient is not registered with your practice.

- Click on Add New Patient to add the patient to your practice

- Complete the form with the required information and click Create Patient Record and Send Invite.
 - The patient will receive an Instant Invite once you add them.
