How to view today's visits on the Anytime Clinician App

- Download the Anytime Clinician App from the Apple Store or the Google Play Store
- Log in using your current credentials
 - If you are unsure what your credentials are, reach out to our customer service department to verify if your account has been established.
- Once you are logged in, click on the waiting room icon in the bottom left corner of your screen

• Select Today's Visits at the top of the screen

- Your current telemedicine visits or nurse triage encounters will be listed
 - This list resets every day at midnight
- Select details to see the details of that encounter
