How to view your practice's on call schedule from the Anytime Clinician App

- Download the Anytime Clinician App from the Apple Store or the Google Play Store
- Log in using your current credentials that you use to access the web platform.
 - If you are unsure what your credentials are, reach out to our [customer service department](#) to verify if your account has been established.
- Once you are logged in select the three lines in the top right corner and select schedule from the drop down:

- Your schedule will populate.

- You can click on individual dates on the calendar to see who is on call on that specific day.
 - Please note you are unable to edit the on call schedule. If you need to edit the schedule, simply [log into the web platform](#) with the same credentials used to access the App. Once you are logged in please follow this [resource guide](#) for further instructions.
